

I & I PRODUCTS

Alkyl Poly Glucosides (APG) (manufactured from renewable sources)	
Grades	Applications
Coco Glucoside – 50% Decyl Glucoside – 50% Hexyl Glucoside – 75% Lauryl Glucoside – 50% Iso Octyl Glucoside – 60% Capryl/Caprylyl Glucoside – 50% and 70%	Personal Care products Home Care products Beer Bottle Washing Highly Alkaline Detergents Metal Cleaners Paint Strippers Aluminum Brighteners Glass Cleaners Hard Surface Cleaners Agrochemical Emulsifiers Scouring Agent in Textiles
Alkyl Poly Ethoxy Carboxylate (AEC) – 88% (multi-functional anionic surfactant)	
APPLICATIONS	Personal Care products Home Care products Mild Soap Manufacturing Non-Phosphorous Detergents Emulsifiers in Oil Transportation Softening Agent in Paper Industrial Cleaners Degreasers for Leather Fire Extinguishers Multiple Uses in Textiles
Imidazoline (bio-degradable surfactant)	
APPLICATIONS	Personal Care products Home Care products Industrial Cleaners Metal Corrosion Inhibitors Fire Extinguishers
